

Highland Park Town Meeting

June 23, 2003

**Come and discuss
the Community
Plan!**

All members of the Highland Park community are invited to attend the third and final Town Meeting in the community planning process. At the meeting we will present goals, strategies and implementation steps for the Highland Park Community Plan. Our work is composed of neighborhood and survey data and specific recommendations for community improvement in areas such as community safety, education, recreation and youth development.

Your input at this stage is important – after more than a year of hard work by local residents, we have an opportunity to build on the strengths of our neighborhood and to make it a model of a vibrant, healthy community. We welcome your participation in this event, and look forward to hearing your perspectives on our efforts.

Date: Monday, June 23rd from 7:00 to 9:00 PM

Place: Saint Andrews Episcopal Church, 5801 Hampton Street

Coffee and cold drinks will be served, and participants are also encouraged to bring a dessert to share. Free child care will be provided! Copies of a discussion document will be available June 20th at Enrico's Tazza D'oro, Walnut Market and Sandy's Deli, and on the web at
